road company, in receivership for the last 17 years, is about to get out of hock. Federal Judge George H. Moore last Tuesday approved a reorganization plan - last step between

various security- and stock-holders -which at long last is expected to get the railroad out of trusteeship and into the hands of a new and solvent operating company. The net capitalization of Missour:

Pacific resulting from this long and troublesome "writedown" of securities is to be 612 million dollars. A large figure, but not so much when you consider that Missouri Pacific is one of the largest aggregations of trackage and rolling stock in America.

This news has interest for Arkansas and all the other states through which Misouri Pacific runs—where "Mop" freight and passenger trains are a vital public service and a tremendous regional asset.

### Reaction to Stassen's Bid Is Mixed

publican Harold E. Stassen's bid for a sort of citizens' peace con-ference with Communist Russia's Premier Josef Stalin today was greeted with mixed reaction at home and silence from Moscow.

Stassen, an unsuccessful seeker after the 1948 GOP presidential nomination, disclosed the move yesterday. He made public a letter suggesting further correspondence or a face-to-face meeting - pub licly reported - with Stalin in an effort "to stop the drift toward

## NPA Seeks to **Route Steel** to Key Places

51ST YEAR: VOL. 51 -- NO. 300

Washington, Oct. 5 -(AP) -The national production authority looked today for a way to prevent military orders from disrupt ing the flow of steel to auto and other civilian goods producers.

It hoped that a steel industry 'task force' might come up with the formula.

Both NPA and the industry fear that a flood of defense orders bearing the compulsory "do pri ority rating may be dumped on a few key steel companies which might thus be washed out of the civilian market.

PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways - and it isn't just that boldly gleaming forefront that spreads this impression. It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving.

Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys, 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating.

Find out, for example, how mas-

terful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflow Drive, which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the Standard on Rospiassier, optional at extra gration Strength Seatter models.

wheel - and prices that start down with the sixes.

Seems like almost everyone wants to own one of these Buicks - and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

Only BUICK has Dynaflow and with it goes: HIGHER-COMPRESSION Firehall valve in-head power in three engines. (New f.263 engine in SUPER module.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, topate

### HADACOL Helpful to Three Generations of Hot Springs Folks.

They Suffered a Deficiency of Vitamins B1, B2, Nlacin and Iron

Miss Frances Price is an attracive young lady with such beautiful complexion and sparkling personality that even at the mature age of three she attracts more than her share of admirers among the junior wolfs of Hot Springs National Park. Ark. She wasn't always the vibrant person she is today because, like her mother and her grandmother, she suffered a defieiency of Vitamins BI, B2, Niacin. and Iron.

Miss Price is a member of a HADACOL family because her mother and grandmother, Mrs. Kenneth Price, and Mrs. Myrtle Dyer, who operate a progressive store in Hot Springs, also take HADACOL.

Here is what Mrs. Price, who had suffered deficiencies, said: "Our family sells and takes HADACOL. My mother, Mrs. Dyer, started taking HADACOL some time ago for indigestion. She had aches and pains of neuritis, but after the first three bottles of HADACOL she felt better. I was so enthused about my mother's results that I started taking HADACOL as a dietary supplement. I was weak and run down and now feel fine. We were then worried about my three year old daughter. She was weak, and run down and her food did not agree with her. After taking HADACOL she is now brimful of energy. Her cheeks are rosy. Ours is a neighborhood store and many of our customers are just as enthusiastic as we

> Wonderful for Both Old and Young!

This new HADACOL is simply wonderful for men, women and children of all ages who are sick and ailing because their systems nre lacking these important Vita-mins, B1, B2, Iron and Niacin.

The important Vitamins and Minerals in HADACOL come to you in special liquid form so that they are juickly absorbed and assimilated in the blood stream. A big improvement is often noticed within a few days. HADACOL even builds up the red blood cells (when iron is needed) to carry these precious elements to every part of your bodyto your kidneys, lungs, heart, liver,
